London School of  
International  
Business, U.K.

# STUDY ACCOUNTING AND FINANCE FROM A BRITISH INSTITUTION IN YOUR HOME COUNTRY.

London School of International Business is registered entity based in the UK.

London School of International Business operates to the highest academic standards and has a structure in place that ensures the highest quality standards.

All materials are designed and written by professional academic authors so that each interactive module is aligned against specific learning outcomes. This ensures those that learner with us are receiving the highest quality of study materials, and that the Level is recognised by various institutions and corporate bodies world over.

## PROGRAMME STRUCTURE

### Critical Issues in Accounting and Finance

This module takes a very hands on approach for students to learn about the key challenges that accounting and finance professionals face in the industry. It educates students on the nature of the industry and encourages you to critically analyse how accounting and finance professionals operate when faced with industry challenges.

### Accounting and Finance Research Project

This module from our Masters in Accounting and Finance degree trains you to face corporate circumstances where you are assigned the task of conducting a formal research to analyse financial trends in a specific industry, to appraise the pros and cons of an investment etc. The module provides you with knowledge on various research techniques and trains you on how to conduct data analysis, improve your corporate report writing skill and build on your critical evaluation skill.

## JOB AND CAREER OPPORTUNITIES

### Indicative roles which you might expect after completion of your programme

- Senior government leader
- Not-for-profit manager
- Entrepreneur
- Consultant
- Venture capitalist
- Executive roles in accounting, finance, marketing, sales and communications, amongst others

## DEVELOPING GREAT MINDS FOR OVER A DECADE

### Some of the key Facts about the programme.

- Online programme with student to faculty ratio of just 15:1
